RE: Lancaster Specialty Surgery Center Ribbon Cutting
December 22, 2016

NEW OUTPATIENT SURGICAL CENTER OPENS IN LANCASTER, OHIO

Lancaster, Ohio – January 5, 2017 – the Lancaster Specialty Surgery Center (LSSC) is opening its doors in Lancaster, Ohio, by holding a ribbon cutting ceremony in partnership with the Lancaster Area Chamber of Commerce. We would like to extend the invitation to join us in celebrating on January 5, 2017, starting with the ribbon cutting at 4 PM, followed by an open house and tour of the facility from 4:40 - 6:30 PM.

The multi-specialty outpatient surgical facility will begin performing cases in early January. The Lancaster Specialty Surgery Center (LSSC) was developed through a partnership between local surgeons and Surgcenter Development, and is licensed by the state of Ohio. The Center is specializing in a variety of safe, top quality outpatient surgical services. Our goal is to provide an excellent, comforting experience for all patients and their families. Our patients will be cared for by a selected specialty staff of nurses and surgical technicians, who all have worked alongside our surgeons and have been part of our patient's excellent outcomes.

The facility is located 3056 Columbus Lancaster Rd. NW Lancaster, Ohio 43130; the state-of-the-art facility occupies 8,116 square feet of space with two (2) operating suites and one (1) procedure room. Outpatient surgical procedures performed at the center in the following specialties include: Orthopedics, including total joint replacements and sports medicine, ENT services for pediatrics and adults, and Neurological and Spinal services.

The Lancaster Specialty Surgery Center (LSSC) is committed to providing our patients an exceptional outpatient surgery experience. Our Physicians and Staff promote a culture driven environment of excellence, quality, compassion and dignity. We are looking forward to serving the community! For more information about LSSC services, please contact Jennifer D. Angle, BSN RN, Nurse Administrator, at 740-785-9350 or email jangle@lancastersurg.com.
