

Lancaster Specialty Surgery Center is proud to announce the addition of Dr. Anil Gokhale ENT and Dr. James Miller Orthopedics to our Team!

Dr. Anil Gokhale is Board Certified in Otolaryngology and a member of the American Board of Otolaryngology. Dr. Gokhale provides a variety of Ear, Nose and Throat services for both pediatrics and adult patients. Dr. Gokhale is certified in Balloon Sinuplasty and Vagal Nerve Stimulator Implantation.

Dr. Gokhale has also received training with the Medtronic Fusion ENT Navigation System and is the first provider locally to offer the navigation services in conjunction with Sinus Endoscopy Procedures at LSSC! Image-guided surgery has become an industry leading standard endorsed by the American Academy of Otolaryngology-Head and Neck Surgery. Image Guided Surgery provides real time positioning information that helps to navigate in and around the sinuses and away from critical structures during the removal of diseased tissue.

Dr. Gokhale graduated from Carnegie Mellon University with a Bachelor Degree with Honors in Biology in 1991. He then completed his Medical Degree at the University of Pittsburgh School of Medicine. Dr. Gokhale completed his internship at UPMC Mercy Hospital in Pittsburgh, PA and residency in Otolaryngology at Case Western Reserve University in Cleveland, Ohio.

Dr. Gokhale has been in private practice in Fairfield County since 2002 and has privileges at surrounding area hospitals.

Consultations and appointments can be made by calling Dr. Gokhale's office at 740-687-5445.
